

CYSTIC FIBROSIS TRUST PUBLICATIONS

Our factsheets, booklets, leaflets and consensus document provide information about all aspects of Cystic Fibrosis to people with CF and their families and carers. They are not intended to replace medical advice from your Specialist CF Centre or Clinic.

We also publish a range of consensus documents aimed at clinicians and healthcare professionals giving details of best practice in the clinical care of people with Cystic Fibrosis.

How to access our publications

Unless otherwise stated, all of our publications can be downloaded free-of-charge from the CF Trust website www.cftrust.org.uk, or fill in our online order form if you would like to receive copies in the post.
