

## HOW TO ORGANISE...

# WORLD CUP 2010 SWEEPSTAKE

Although England are the only team from the UK featuring in the World Cup this summer, it doesn't mean you can't play along. Our sweepstake is a fun and easy way for you to join in with the spirit of World Cup 2010 whilst also helping to raise funds for the Cystic Fibrosis Trust.

## HOW TO PLAY

- In this pack you will find a list of all the teams competing for World Cup 2010. Cut out all the teams and place them in a container.
- Willing participants pay their fee (the stake per team is up to you eg. £10 per team) and draw a team out of the container.
- At the end of the competition, the person who picked out the World Cup 2010 Champions wins 50% of the pot and the other 50% is donated to the CF Trust.

If you want to raise the stakes, why not run an additional sweepstake as well.

For example, guess the total number of goals scored in the competition, including penalties. Pay a fee for each guess you make, the person who gets the closest wins the money (and donates half to the CF Trust!).

You will find a form attached to return any donations.
