† If you do not pay your balance in full we will use your payments to reduce lower rate balances before higher rate balances. If promotional rate balances are the same we will repay them in the following order: first, the one with the earliest expiry date; if the expiry dates are the same then the one which started first; if the expiry dates, and start dates are the same then the one with the lowest standard rate. Promotional rates will no longer apply from the beginning of any statement period during which you have breached your terms and conditions.

* From the date your account is opened.
